Letter of Recommendation

To Whom It May Concern:

I am delighted to recommend Gaby Barton as an Interim Manager. She was contracted by our company to temporarily fill the vacancy of the Head of Office- and Facility Management. We were in strong need of a hands-on, knowledgeable, and process-oriented individual to support our day-to-day operations. Gaby turned out to be just the person we needed.

Immediately she took over tasks or supported our teams in Berlin as well as in international hubs. Quickly she was known to get things done.

During her four months with us, she helped launch and organize new projects. She was also a wonderful team player. Optimistic, engaging, and easy to get along with, Gaby was liked by all who were in contact.

Also, she shared ideas and gave strategy impulses for the international hubs.

I absolutely endorse her qualification and her skill set.

Sincerely,

BLACKLANE
